

### KKNY Membership Recommendations:

1. Most significant Aim and Objective of our constitution is to:  
*Provide a platform for the Koota members to promote and maintain traditional, educational, social, cultural and humanitarian activities.*
2. Executive Committee should take this task seriously and maintain our membership database.
3. External Auditor should audit or certify the membership list and Secretary of the Koota should present it to the general body.
4. Our membership database carries a priceless historic information of Kannadigas who are responsible for the existence of our Koota.
5. Countless efforts made to collect and update this database and have reached this stage.
6. Membership is available in all categories mentioned in our constitution, but at present a new addition is:  
**Active member** – Any person who is actively participating in Kannada Koota events, and supports the Kannada language, culture, & heritage.  
The status of being an active member shall be deliberated & approved by the Executive Committee currently holding office. Such persons must pay donations upon attendance to all the events and the proper dues if any; as shall be determined by the Executive Committee. **(Amended 2014)**.
7. Secretary is responsible for keeping the copies of members list during General Body. In addition, it should be made available to the Presiding officer.
